The Zoning Hearing Board held a reorganization meeting. The following appointments were made:

Roxanne Long, Chairperson
Eli Skrimcovsky, Vice-Chairperson
James Igoe, Secretary

The Board appointed Kim Roberti as their Solicitor for the 2021 year. This appointment will now go before Borough Council for appointment and approval of rates.

The Board agreed that the Secretary will take minutes of the public hearings. After approval these minutes will be posted on the Borough's website. Please note that these minutes will not take the place of the official transcripts of the hearings.

The Board forwarded questions on recording the hearings – is this legal and is there any process to follow - and responsibility of the Zoning Officer regarding pre- and post-hearing filing dates.

The item of timely filing of findings of fact will be reviewed with Solicitor Roberti.
